

Steve East joins Redburn as Head of Sector Research

London, 16 September 2019 – Redburn (Europe) Ltd, the independent equity research and execution firm, today announces that Steve East has joined as Head of Sector Research. Steve will also become a partner at the firm.

Reporting to Robert Miller, Redburn's Head of Research Services, Steve takes overall responsibility for sector research, managing teams comprising 53 analysts in total.

Steve brings with him more than 20 years of experience in equity research, including almost a decade as Head of EMEA Equity Research & Global Head of HOLT at Credit Suisse. Prior to this, Steve was Head of Aerospace and Defence research at Credit Suisse, having been a top-ranking analyst in the sector.

Commenting on Steve East's appointment, **Robert Miller, Head of Research Services at Redburn**, said: "Steve is a highly experienced research manager and we are delighted to welcome him to Redburn. Steve will play a leading role in helping Redburn to build on its success as one of Europe's best-in-class providers of independent equity research."

Steve East added: "I am excited to be joining Redburn and consider it a privilege to lead their highly-rated sector analysts. I look forward to working with the team and helping them to produce more of the exceptional work that has helped the firm to build an outstanding reputation in equity research."
